

## Permission To Construct Road Approach

**The Board Of Liberty County Commissioners** herby grant permission to construct a road approach.

Road described as follows or location.

---

---

---

Width of approach 24' (foot) minimum, End Slope 3 to 1 Minimum

**The Liberty County Road Supervisor** for purpose of determining whether a culvert is needed and size if needed will inspect site prior to construction.

Recommendation:

---

---

---

---

---

**(Please attach map or GPS location)**

If it is a gravel road the gravel must be replaced if disturbed. Setting and repair shall be the applicant's responsibility.

Work must be done in the daylight hours, and as speedily as possible so as not to inconvenience the public any more than necessary. Construction signs must be properly displayed to assure safety. If traffic is to delay more than one hour a detour must be provided.

If County changed roadway-necessitating change in structures or installations installed under this permit; Applicant shall make necessary change without expense to the County.

After completion of the project the applicant will be responsible for maintenance of the approach and culvert.

I \_\_\_\_\_ hereby agree to this contract.
