

# Application for Permission to Cross Liberty County Roads

The Board of Liberty County Commissioners hereby grant permission to

Name of Applicant \_\_\_\_\_

To cross county road described as follows: Name of road \_\_\_\_\_

Township \_\_\_\_\_ Range \_\_\_\_\_ Section \_\_\_\_\_ G.P.S Location \_\_\_\_\_

Width of ditch \_\_\_\_\_ Bore \_\_\_\_\_ Minimum depth \_\_\_\_\_ Size of Line \_\_\_\_\_

If ditched, ditch must be filled and compacted every six (6) inches from bottom up. If it is a gravel road the gravel must be replaced with 1 in minus crushed gravel no less than 6 inches in depth. Settling and repair of crossing shall be the contractor's responsibility for two (2) years.

Work must be done in daylight hours, and as speedily as possible so as not to inconvenience the motorist any more than necessary. Construction sign must be properly displayed to assure safety. If traffic is to be delayed more than one hour a detour must be provided.

In the event a claim is made against Liberty County arising in whole or part from the exercise of the permission to cross Liberty County road granted hereby, the applicant agrees to hold harmless, indemnify and defend Liberty County from and against all such claims, including the cost of defense attorney fees.

If the County changes roadways necessitating changed in structures or installations installed under this permit. Permittee shall make necessary change without expense to the County.

After completion of the project a permanent marker on both sides of the road must be erected to identify the line.

Applicant:

I \_\_\_\_\_ hereby agree to this Contract.
